In Memoriam

Principal's Message

Dear Students:

It is with a great deal of pleasure that I look back on my first year at Crisfield High. Your cooperation has made this possible.

To the Seniors, I extend my sincere congratulations and wish for each one the best of luck in the days to come. I trust that you will write and visit with us often, as our interest follows you into your chosen fields.

To the students that will remain, it is my hope that you will give one hundred per cent effort to the task of preparing yourself for the kind of life to which you aspire. It is also my hope that you will join with me and the faculty in developing the kind of school that demands from each individual a sense of loyalty and pride in the great "American Way of Life."

Sincerely,

WILLIAM E. DYKES, JR.

Class C Champions of Maryland

The 1960-61 basketball team enjoyed a very successful season compiling a regular season record of 17 wins and only one loss. Included in these victories were two victories over the Class AA team from Wicomico Senior High School. The later of these two victories was a 54-53 triumph for the "Crabbers." The only loss was sustained at Northampton (Va.).

The highlights of the basketball season were the four tournament victories. The first two victories, over St. Michael's and Pittsville, brought the Crabbers their sixth straight District 5 Class C championship. The last two of the tournament games, played at the University of Maryland, ended in triumps for the "Crabbers" over Frederick Sasscer High of Upper Marlboro and Hancock High. In winning these games the team brought to Crisfield the Class C championship of Maryland!

Although a great deal of credit must be given to the twelve members of the squad, we must not overlook the splendid tutelage of Coach Jack Morgan in making this the greatest year in basketball history at C.H.S.
